

Before

After

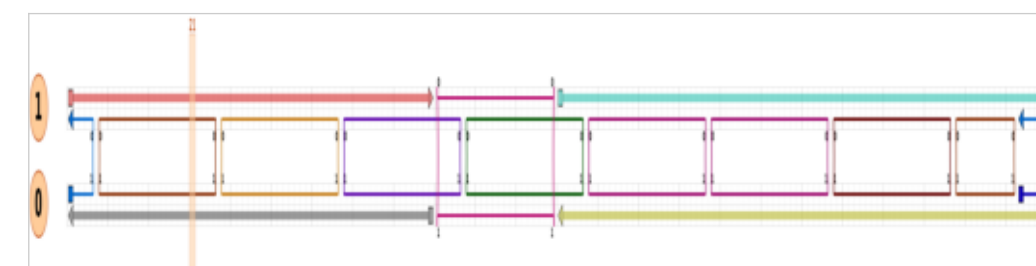

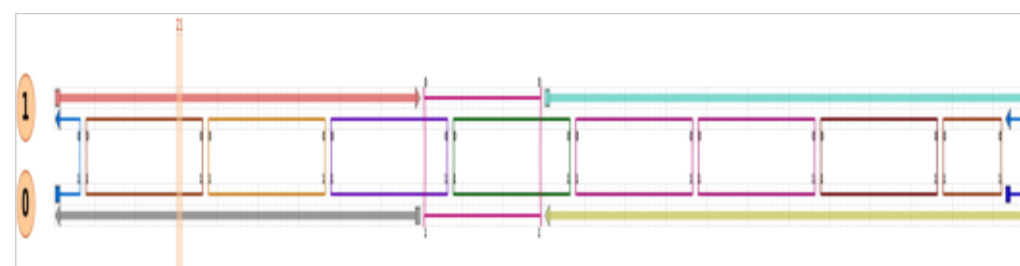

*Add 3 evenly spaced scaffold crossovers between helix 0 and helix 1*

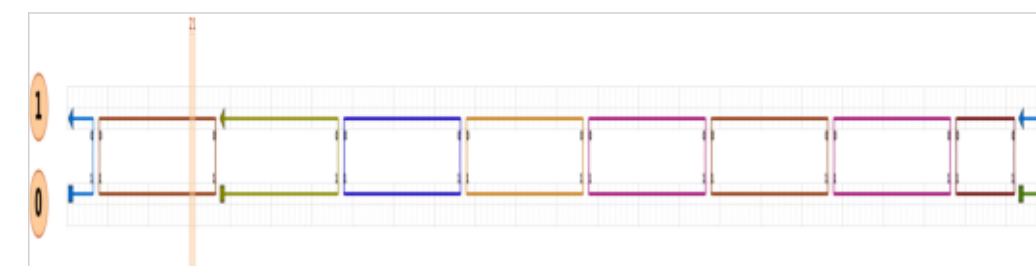

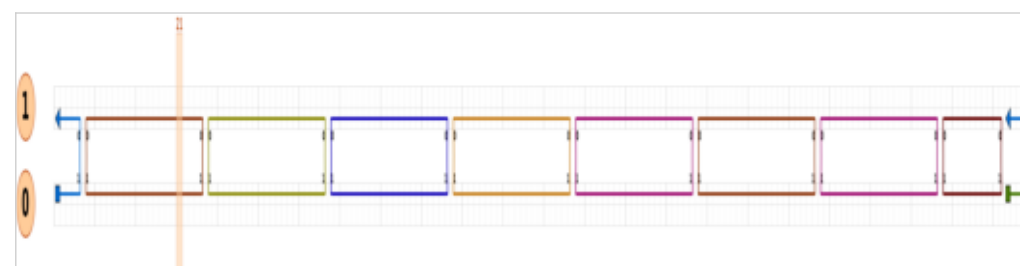

*Move the crossover at helix 1 index 88 to the right by 5 bases*

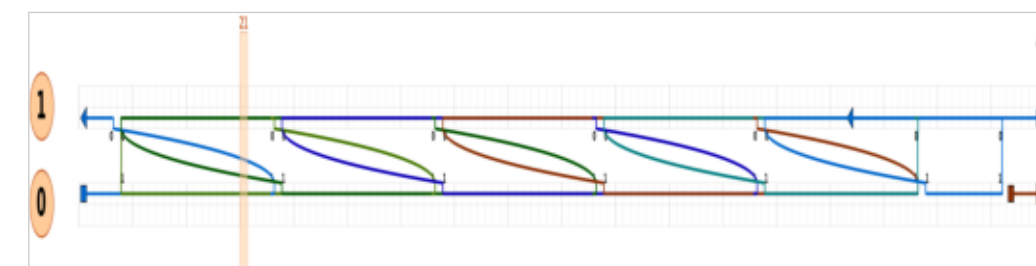

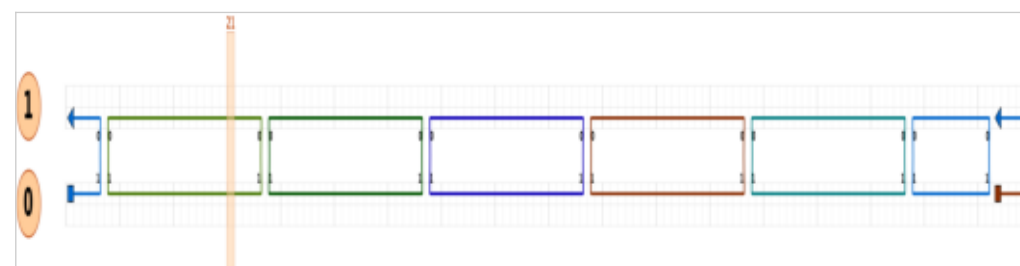

*Move the staple crossover at helix 1 index 63 right by 3 bases*

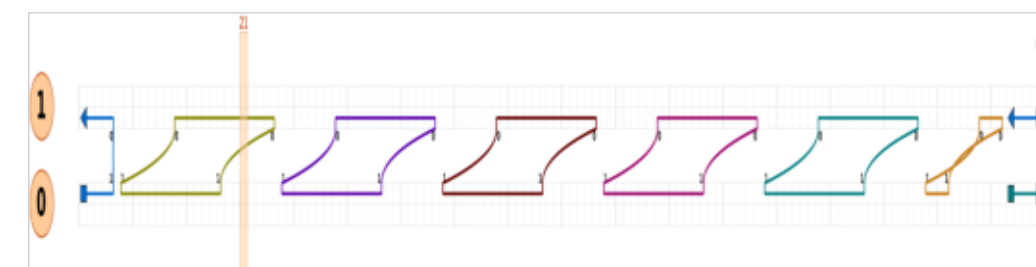

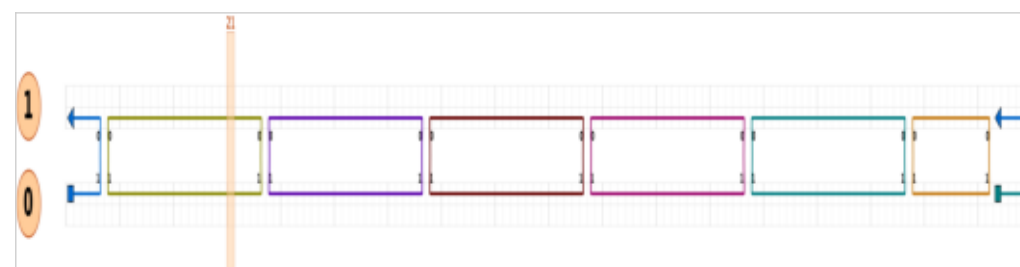

*Delete the middle crossover between helix 0 and helix 1*

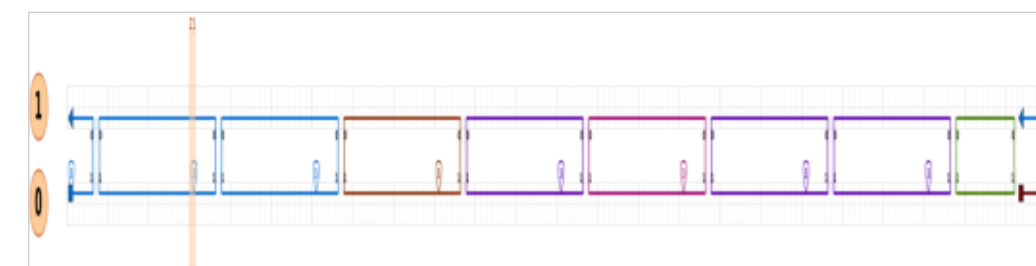

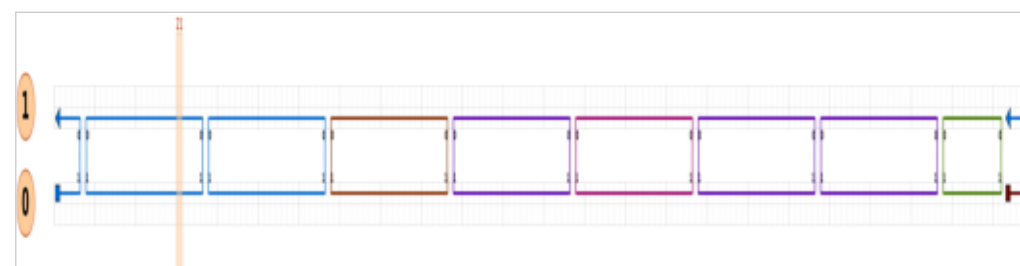

*Extend all scaffold strands by 21 bases*

*Shrink all scaffold strands by 7 bases*

*Add insertions of length 3 every 21 bases on helix 0*

*Add deletions of length 1 every 21 bases on helix 0*
